## Message From the Co-Principals

Dear Families,

We always feel blessed by the opportunity that present themselves at St. Al's. This past week, we enjoyed celebrating our Catholic identity at the various functions for Catholic Schools Week! The celebration of our mission and sharing the faith with friends and family were all opportunities for us to shine Christ's Light!

Starting this month in the Monday News, you will begin to receive information in regards to enrollment for the 2024-25 academic year. You will receive an email this week with a form for you to fill out about your intent to return. Now that our Open House is complete, we need to continue when we might have space for the 2024-25 school year. To be prepared for applications, we recommend that you begin filling out your FACTS application and make sure that your tuition is current in order to register on time.

Thank you for the support you offer in the way of your child's education at every stage of their academic journey.

Blessings,

Deane Wiegman & Angela Kneiss  
Co-Principals
