

Affordability Overview

St. Aloysius Gonzaga Catholic School, staff, parents, and parish community work collaboratively to provide an excellent mission driven education. The three main sources of revenue are: tuition pledges, parish allocations, and fundraising.

Parish support

Our Jesuit parish community's contribution of prayers, time, and talent to the school's ministry is an invaluable resource. St. Aloysius School receives a cash subsidy yearly from the parish. The parish community supports all aspects of the school.

Tuition Pledges

Private education is a sacrifice for all families, and a gift to your child that will last a lifetime. We ask families to prayerfully discern their own economic situation and strive to commit to full tuition. For Catholic families that require tuition assistance through our Fair Share Program additional information is listed below.

Fair Share Program:

Any practicing Catholic who seeks access to financial assistance through the Fair Share Tuition program must complete an online application through FACTS and submit federal income tax documents. FACTS provides a confidential and secure method to collect and verify financial information. FACTS is our tuition autopay system. There is a yearly fee of \$55.00 to set up your family account.
