Thank you for your family's interest in Gonzaga Prep! We are excited to help future students find their place as Bullpups. Families choose our school because we have caring, dedicated teachers, excellent college preparatory academics rooted in the Jesuit, Catholic tradition, and an impressive range of co-curricular options within a supportive community. If that sounds like the right fit—start the conversation! Check out the events and information in this newsletter to help you learn more.

We've made some adjustments to our usual admissions process and timeline to account for the unique challenges presented by COVID-19. Stay tuned for more updates as the year progresses by joining our mailing list. Please connect with us at admissions@gprep.com if you have questions.
