Dr. Seuss, St. Patrick's Day, Spring, and Dinosaurs

This month the children will start by celebrating the works of Dr. Seuss and learning about words that rhyme. We will continue the month celebrating St. Patrick's Day by discussing why we celebrate his life and why people wear green on that day. Later in the month we will welcome Spring and talk about all the changes that will be happening around us. Lastly the children will get to discover everything about dinosaurs, when they lived, what they ate, and how they became extinct!
